PRE-ARRANGEMENTS OFFER PEACE OF MIND...

*"By guaranteeing that my
final wishes are organized—
I'm taking care of my family.
Just by pre-planning now,
I've reduced their emotional
burden. And, I've even
saved money too."*

What are Funeral Pre-arrangements?

Simply put, it is planning your funeral or the funeral of a loved one, in advance. By planning now, you can ensure that your funeral reflects your personal wishes, customs and beliefs.

Why Pre-arrange?

Pre-arrangement allows you to specify every detail of your desired funeral service ahead of time and have it on record at W.C Town Funeral Chapel. This spares your family the additional trauma of having to do so at a time of loss.

We take time to plan many of life's significant rites of passage. We plan for weddings, graduations, the birth of a child and many other life events. Unfortunately, death is one of these rites of passage, and while there is no denying that it will happen, families often find themselves financially and emotionally unprepared.

The best time to begin making your pre-arrangements is now.

Studies show that pre-arranged funerals tend to cost less since careful thought can be put into their planning rather than others making difficult choices at a painful time.

In a recent survey, these were some of the most common reasons people gave for pre-arranging their own funerals:

- Lets your wishes be known.
- Reduces stress for family and friends at an already emotional time.
- Saves money.
- Guarantees your family will never have to pay more for your funeral - no matter what happens with inflation.
- Shows you care.
- Relieves your loved ones of the financial responsibility.

Communicating Your Wishes

It is important to discuss funeral pre-arrangements with your family and/or executor, and to have your information readily available for their use.

FUNERAL PRE-ARRANGEMENT OPTIONS

1. PRE-PAYMENT

Many people choose to pre-pay their funeral when making pre-arrangements. The contract you sign with the funeral home is fully guaranteed. Which means, if the cost of the pre-arranged funeral is greater than the funds on deposit, W.C Town Funeral Chapel covers the difference. If there are excess funds left over, they are reimbursed to the estate of the deceased.

Pre-payment offers you both security and flexibility. Pre-arranged and pre-paid funerals are fully transferable, so that if your circumstances change and you wish to alter your arrangements you may do so.

2. INSTALLMENT PLAN

Some people prefer to pre-pay on an installment plan. W.C Town Funeral Chapel offers a number of flexible plans tailored to suit your needs. Feel free to discuss your preferences with our pre-planner counsellor.
